

# Bumper Guard

AVAILABLE IN BLACK, CHROME OR REFLECTIVE RED (SHOWN ON VEHICLE)

## Installation is easy as 1-2-3

1. Vehicle bumper must be clean, dry and free of any protectant products, such as Armor All®. These products will inhibit the bumper guard from adhering to vehicle.
2. Peel tape cover from edge of back of bumper guard.
3. Carefully position and firmly press bumper guard to bumper to adhere.
